Passion for Pennies! Romance doesn't have to be expensive, each name one or two ideas that are FREE but that express love (For example, it doesn't cost me anything to rub Bill's shoulders; It doesn't cost him anything more if he puts the gas in my car instead of me doing it) .[More ideas on free or nearly free dates:

Husband

Wife

*More on these, and other things that men and women find romantic are in *Men Are Like Waffles, Women Are Like Spaghetti*

Make a Memory! To make a date more memorable, use all 5 senses. Each of you share the answers to each question below:

Sight:

What setting is romantic to you (What do you like to SEE that sets the mood?)

Husband:

Wife:

Sound:

What do you prefer to HEAR that adds to the romantic atmosphere (songs, music style, sounds in nature, etc)

Husband:

Wife:

Smell:

What scents or SMELLS stimulate your body for love? (Food smells? Scents in nature? Cologone? Perfume? Spices?)

Husband:

Wife:

Touch:

What textures, fabrics, or other surrounding material, adds to the romantic ambiance?

Husband:

Wife:

Taste:

What flavors and foods make your mouth water and heart beat for your mate?

Husband:

Wife:

*More about using the five sense to create memories as well as 200 more Red Hot Romance ideas and conversation starters are in Red Hot Monogamy.
