

Red Hot Wives Challenge

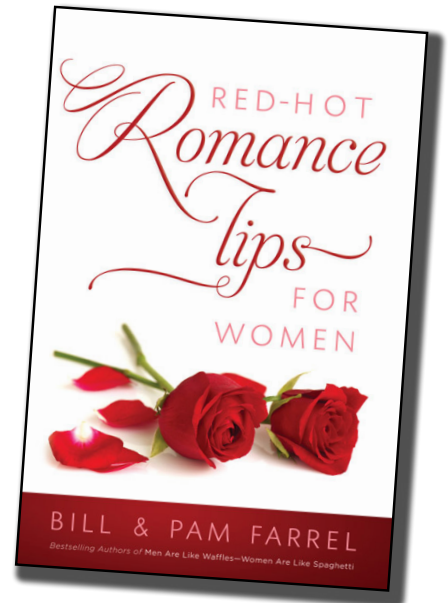

Beginning February 13th

www.Love-Wise.com/challenge

Using Pam and Bill Farrel's new book, *Red Hot Romance Tips for Women*, Pam will lead women through the 26 traits that make a more loving wife. After hearing men's common complaints and comments, the Farrels went to *The Word* to pair up Biblical wisdom with 26 traits a woman can develop (A to Z) that helps give women practical ideas and encouragements to strengthen their marriage.

Here is what one wife wrote after completing the last 26-day: *"Being part of the Red Hot Wives challenge has helped me grow in Grace toward my husband. It's helped me to stop and realize my words and actions toward him instead of focusing on his actions toward me. It's also helped me grow in putting attention toward my marriage. I loved the daily tips and challenges that got me thinking about ways to love my husband."*

To participate in The Red Hot Wife Challenge, buy a copy of *Red Hot Romance Tips for Women* at www.Love-Wise.com (Pam is happy to autograph), or get a copy from any online retailer. Or download a version at Amazon, Vyrso, or CBD. And sign up at www.Love-Wise.com/challenge
