

Interview Questions

for Bill and Pam Farrel, authors of
Why Men and Women Act the Way They Do

- ❖ Bill and Pam, what prompted you to write a book entitled *Why Men and Women Act the Way They Do*?
- ❖ The subtitle, "The Reasons Might Surprise You" leads us to believe you encountered some surprising reasons. What are some of those surprises?
- ❖ What do you think every man should know about the female gender?
- ❖ What do you think every woman should know about men?
- ❖ Besides gender, what other factors contribute to a person's behavior?
- ❖ How, specifically, can understanding what motivates a person to say or do something help us to interact more effectively?
- ❖ You say that understanding *Why Men and Women Act the Way They Do* has the potential to improve our work environment and to impact social or political policy. How so?
- ❖ You encourage people to discuss their differences and similarities as well as their motives. What can people gain by having these conversations?
- ❖ Are there any communication tips you can give us to enhance dialogue or create greater understanding?
- ❖ Who would most benefit by learning *Why Men and Women Act the Way They Do*?

*Why Men and
Women Act the
Way They Do*
